

Principal Place of Business

You must have a site or location in Utah that complies with all local ordinances, including zoning for crusher and is devoted exclusively to the crushing of motor vehicles and business incidental to it. The site must be sufficiently bounded by fence, chain, posts, or otherwise marked to definitely indicate its boundaries. There must be permanent, enclosed building or structure large enough to accommodate the office of the crusher and this office must contain a safe place to keep the books and other records of the business. You must conduct the principal portion of the crusher's business from this location and you must also keep the crusher's books and records there. The Principal Place of Business must not share any common area with another dealer, auction, dismantler, or manufacturer or any business or activity not related to motor vehicle commerce.

Sign

A permanent sign, not less than 24 square feet in size must be either painted on the office, attached to the office with nails or bolts, or placed on posts in the display yard that have been securely anchored in the ground. The sign must fully identify the crusher's Principal Place of Business and show the full name of the crusher as it is licensed and the crusher number assigned to them.

Bond

Crushers must file with MVED a crusher bond in the amount of \$10,000.
